

The Focus of the November 13th Prayer Conference Call

Dr. Corinthia Boone

- Focus: -- Thanksgiving to God for his loving kindness; we come to climb the mountain of the Lord & appeal that His will prevail; we offer to you worship so that we can have clean hands & hearts as we come into your gates with thanksgiving so that we can receive blessings & righteousness from you, that is so needed in this hour of need; we give thanks for the privilege to come before you today.
- Scripture: Psalm 24:3

Pastor Rudy De Pass

- Focus: Strength for President Barack & Michelle Obama – Physical, spiritual, emotional, economic, military – plowshares into pruning hooks
- Scriptures: Proverbs 21:1 - the heart of the King, & I Timothy 2:1-3 .. requests, prayers, intercession, & thanksgiving be made for Kings & those in authority; and that the dry bones in the church will come alive via II Chronicles 7:14 – that we'll hear from heaven, & he will forgive our sins, & heal our land; that the church will "undergird" the change initiatives being undertaken in the secular world with intercessors in each city in our nation crying out to God for personal revival & a national Great Awakening; that there will be a restoration of all that has been lost, according to Joel 2:25, and that the church will prepare itself as the bride awaiting the return of the bridegroom.

Pastor Angeloyd Fenrick

- Focus: That the President will seek God's face
- Scripture: Psalm 17:15 – Ask of me, I will behold thy face.
- As we come to seek the Lord, that we'll come with truthful lips, honest heart, that our path be safe; that we'd put our trust in him
- Let your face be upon us as we come into your presence.

Bishop Joseph Hughes

- Scripture tells us to come unto me & rest; we should strive to live right and as we pray, we'll experience unity.

Dr. Corinthia Boone

- Galatians 6:6-7 – We'll reap what we sow; pray that the church will sow seeds of righteousness and in due season we will reap the same.

Pastor Jeffrey Rogers

- Focus: Our need to return to the foundations of our faith and remove from us the deficiency of failing to stand on our past foundations
- Scriptures: Malachi 4 & Hosea
- A return to respect for morality
- The church can begin to impose our will on society w/o overt imposition; thank God that his will is clearly indicated in scripture
- Pray for eradication of the spirit of pride in the church and that we'd become a people who will honestly seek God's face as written in Hosea – what do I require but that you walk humbly before me
- Pray that the children of this generation will desire the wisdom of prior generations.

Pastor Kwasi Gyimah

- Focus: God is looking for righteous men
- Scripture: Genesis 18:18 – 32
- Abraham interceded for his people and God answered his cry; God will answer our prayers if we intercede as Abraham interceded
- Put in our hearts to intercede for our nation
- That God will come down with his power & turn the nation around
- Instruct the President; guide him with your own hand; we pray & seek God's face for the City Council --- let your light shine upon them.

Apostle John Drew, Sr.

- Focus: God is calling us to perfection; to a higher level of living, to the point where we operate in supernatural perfection
- Scripture: Matthew 5:48
- We must start with the decision that we'll not allow the "old man" to invade our thoughts; pray that God will equip the church to do his will; pray that the great shepherd will produce in us, through the power of Christ, all that's pleasing to Him & may God's grace be upon us.
