

Dear Joy Night Participants;

This is an invitation to some and a reminder to others. It is that time of year again. Our time together will be spent in the "Spirit of Unity".

International Feast:

This year we would like to start our time of fellowship off with the wonderful meal that is provided by you. Our International Feast is always just that, a feast.

This year we are asking everyone to be on time and bring your dishes that need to be heated up by 5:15pm so that we can start our fellowship meal at 6:00pm. We want everyone to have the opportunity to share in the wonderful dishes that will be prepared for us.

This way we will be eating at a good time and will allow those who have to clean up the ability to do so and be ready to leave when we all leave at 9:30.

Divine Appointment:

This year is very special because we have been hearing the cry of the Spirit for us to be unified. As our example is set before by The Father, The Son and The Holy Spirit we step into the unity that They share One with Another. As we step into that union we are complete as we, the sons of God, flow in that **same** Spirit one with another. What a divine appointment.

Our hearts are open for refreshing from the fountain of Living Waters that is poured out to us as we partake of true fellowship with each other. We are surrounded by brothers and sisters who are all in the Body needing the same encouragement and strength from the Lord as we gather together.

Joy Night is to be just that a night of Joy! Joy! Joy! in the Holy Spirit as we break bread one with another and share during our time of international sharing.

In His Service with You,
Corinthia R. Boone
On behalf of ICHC

Where: Washington International Church
4420 River Road, NW
Washington, DC 20016

When: Monday December 7, 2009

Time: 6:00 PM
