Heart to Heart

2010 - Year to Press Forward (Isa. 60)

A New Beginning! This is the beginning of a renewed deepened and stronger spiritual life together as gatekeepers in the Capital Region; manifesting itself in strengthening relationships and fellowship. Renewed authority and power as gatekeepers in the region where we are planted by God.

Call for Togetherness

Never before has a Together In Ministry International partnership been needed more. It is time for us to recommit ourselves to Kingdom Relationships - to corporate prayer and to the vision the Lord Jesus has called us to fulfill together.

Call for Commitment

As we look back on a very significant year of ministry together. We need you to fulfill your 2009 commitment so that we may begin our new year with the administrative help we so desperately need and the resources to strengthen our missionary outreach especially to the “Now Generation” (visit our Website: and Vision Paper for further details.)

Call for Prayer, Worship and Fasting

We had a blessed year in spite of our shortcomings. Let us come humbly before the Lord with prayers and praises in the presence of the Almighty God by the power given to us by the Holy Spirit through Christ Jesus. As days unfold, our attitude towards the Lord must be a living sacrifice acceptable to him (Romans 12:1).

Call for Partnership

Remember Nehemiah’s strategy God gave him to build the Wall. Though we are working on different parts of the wall, our survival depends on the strength of our togetherness responding to the Sound of the Trumpet (Nehemiah 9:19-20).

“Peter went... where believers had gathered and were praying” (Acts 12:11-12)

Cluster- Power- Provision

“New wine is found in the cluster... A blessing is in it...” Isaiah 65:8

We are entering a new season and ICHC’s missionary outreach is a powerful vehicle the Lord is using to mobilize the “Now Generation.” Also, ICHC is an effectual door to college students at American and George Washington Universities. The Now Generation ministering the Gospel to Youth at Risk.

Gatekeepers Challenge

As we prepare for this new season, it would be very important for you to seriously consider your current level of involvement with ICHC and see how you could maximize it to assist in furthering our multiple missionary ministry expressions in our own backyard; first Jerusalem and then the outermost parts of the world.

Turbulence Powerless

Let us begin and continue the New Year at the feet of Jesus; in this posture the tension, the challenges and the storms have no power over us.

By Way of The Storm (Mark 3:5-5-20)

Why should Jesus have sent the disciples across the Sea of Galilee when He knew the storm was coming? Why should He have gone into the ship and then fallen to sleep when He knew that He was going to be needed to quell the storm? God's plan includes, taking us from point A to point B by way of the storm and thank God by way of the miraculous!!

By Way of the Miraculous

2010 - Crossing the Sea Together- Watching the miracle Power of God take us safely to the other side.

A New Year

Facing the Question of "Prayer"

Do you realize there is nothing the enemy dreads so much as prayer? His great concern is to keep us from praying, especially corporate prayers. He loves to see us "up to our eyes" in work; very little time in prayer. He does not fear our earnest bible study, provided we are praying a little. "Satan laughs at our toiling and mocks at our wisdom but trembles when we pray."

Clarion Call (Gatekeepers)

2010 – Releasing the Power of Corporate Prayer. "One can chase a 1,000 but two will put 10,000 to flight, etc." All this is so familiar to us- yet we ignore the power of corporate prayer.

This is the Year to take Corporate Prayer Seriously.

The New Season Commands it!
