STRATEGIC CALL TO "ALL" BELIEVERS -- NATIONAL DAY OF PRAYER GATHERING

*A "Clarion Call" . . . That our eyes might "open" to the "Vision" of the 2011 CRNDP
Thursday, May 5th -- Please Save the Date!*

We have entered the most challenging season in the world's history. Man's wisdom is insufficient for the magnitude of the problem. The devastating affects without **divine intervention** is catastrophic. But there is **Hope!** **It's time to set the power of prayer in motion!** (Isa. 65:8) **Do not underestimate your part in the mighty intercessory army of God and the effect of our corporate prayers.** We want the National Day of Prayer to remain public law, so let's press in together in **prayer, worship and declaration** on the west lawn of the U.S. Capital to raise a **human "fort"** of living stones (1Peter 2:5) on CRNDP.

Show up for the *Capital Region's National Day of Prayer* on **Thursday, May 5th!** **Organize your circle of influence** and get the word out about CRNDP on May 5th. **God is calling forth his army of intercessors** – all loyal hearts in a **great display of corporate worship and unity** before "Him". Use your voice in prayer at the CRNDP. All are welcome and we want to see you there!

On Behalf of the *Capital Region National Day of Prayer (CRNDP) Planning Committee*
